

Option 1 :

1. Ball will be passed to No. 2 and No. 4 will post near baseline and go for the basket.
2. No. 3 will move up to cover No. 1 position and No. 5 will be at high post position

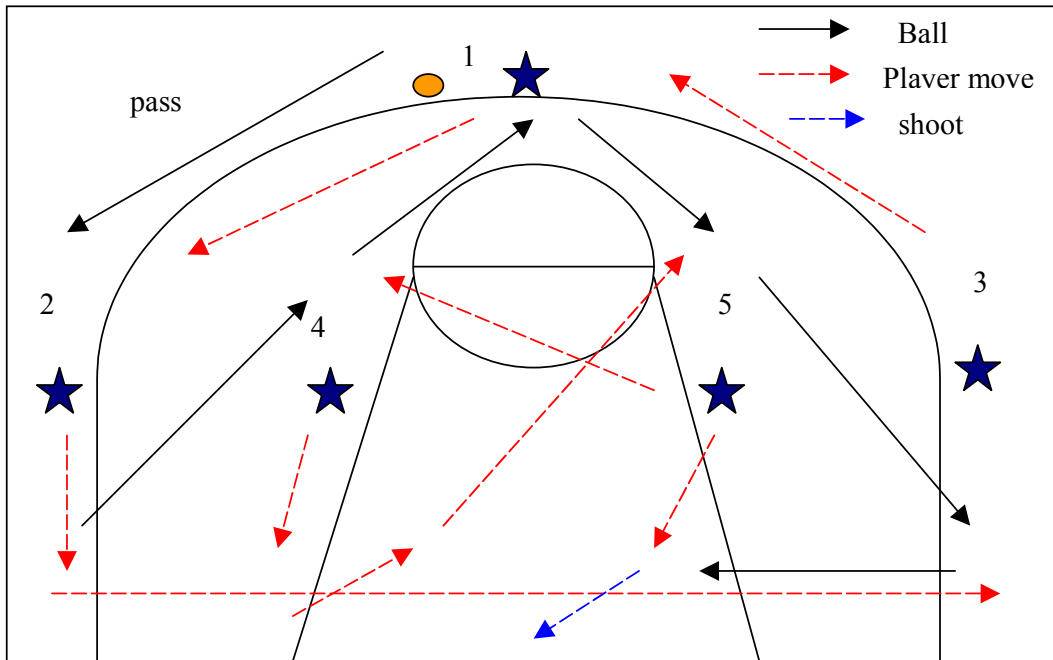

Option 2 :

1. Almost the same as option 1. Instead of passing the ball to No. 4, pass the ball to No. 5, which already at high post position.
2. No. 4 will make a turn to baseline and ask for the ball from No. 5 and go for the basket.

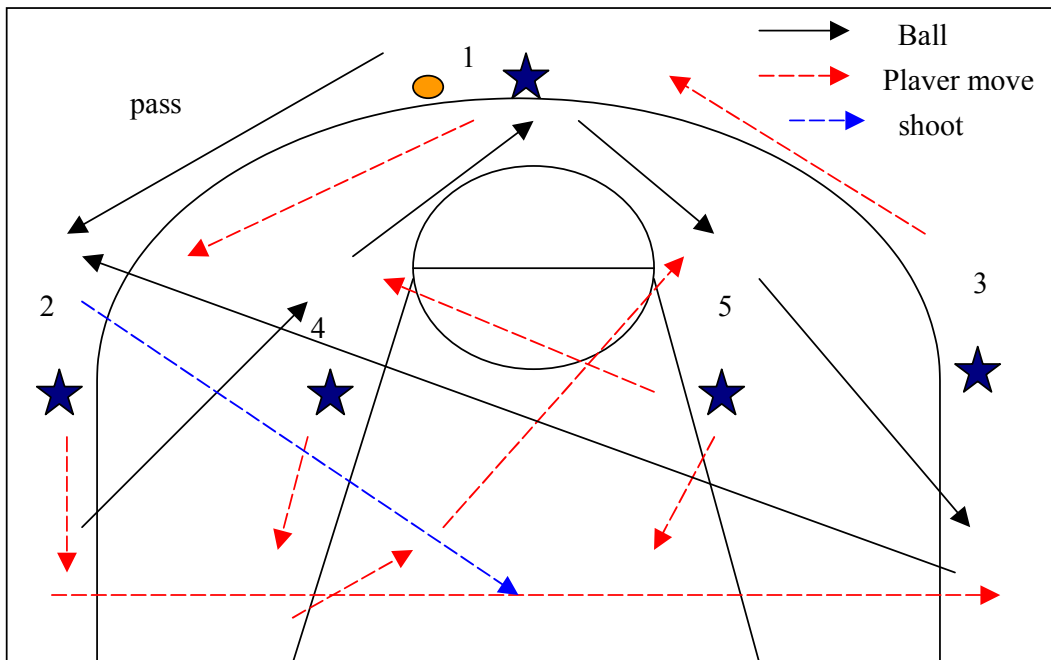

Option 3 :

1. Same as option 2. Instead of No. 4 gets the ball from No.5 and shoot, he will move up cross high post position.
2. No. 5 (which post the other side of high post) will pass the ball to No. 3
3. At this point, No. 2 will cross at baseline and No. 3 will pass to No. 2 and go for the basket.

Option 4 :

1. Same as option 3. Instead of getting the ball from No. 3 and shoot, No. 2 will move straight to the other side corner.
2. No. 3 will pass the ball to No. 4 and he will pass again to No. 2. No. 4 will cut in and ask for the ball from No. 2 and go for the basket.
